

Lake Como School for Advanced Studies

Computational Methods for Inverse Problems  
and Applications in Image Processing

Getting Software Instructions

James Nagy

Emory University  
Atlanta, GA USA

For convenience, to get all suggested software:

- Go to: <http://www.mathcs.emory.edu/~nagy/IRtools/>
- Download the files:
  - Como\_School.zip
  - IR\_Tools\_paper\_Draft2.pdf
- Uncompress the zip file, so that you now have:
  - Folders
    - AIRToolsII/
    - HNO/
    - IRtools/
    - regu/
  - File
    - ComoInstall.m
- Run the script setup: ComoInstall.m
